

Times Table Rock Stars

Follow the link: <https://ttrockstars.com>

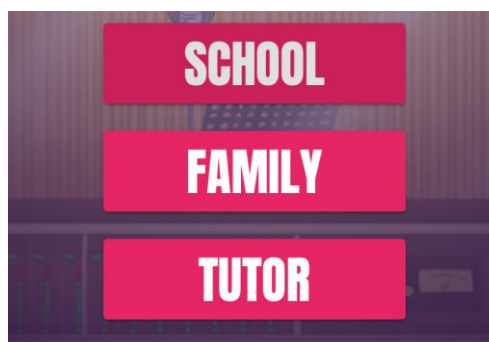

You will see a page like the one shown below, hover your cursor over the 'login' tab and select 'school pupils'

You should come to a page that looks like this:

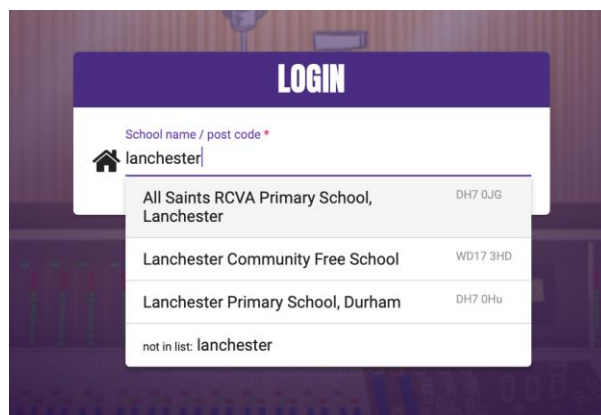

Select 'login' then you should see the following screen where you must select school.

Next, you should see a screen that looks like the one shown below, you should select **student**.

After this, you should see a screen that asks you to select a school. Type in 'Lanchester' and select **All Saints RCVA Primary School, Lanchester** from the drop-down options.

You are now ready to enter your child's log in details that have been attached to this letter. Please take care with capital letters as usernames and passwords are case sensitive.

Finally, you should now be logged in and be able to see the following screen. Children can play any game type but I would encourage them to play 'garage' as includes times tables that have been set specifically for each child.
