Friday 19<sup>th</sup> June, 2020

Dear Year Six Families,

I hope you are all keeping well and your families are safe. This week we have welcomed some students back and it has been lovely to see them again. I would like to inform you that Monday 29<sup>th</sup> June is the last day that Year Six pupils can be in a pod. If your child has not attended before then, they will be unable to attend after this date. As you know, our pods of children need to remain the same: pupils and staff cannot mix. By stating Monday 29<sup>th</sup> June as the last day for admittance, we are preventing the very real problems of:

A child coming back when two pods are full and therefore having to spend their time in school one to one with a staff member  
Having to begin work for individual pupils at different starting points  
Reaching capacity with staff availability

I completely understand that many of you are happy home schooling but would like your child to see their classmates before the summer. As a school, we are desperate to give the children a farewell to remember after seven lovely years here therefore on the last Friday of term (17<sup>th</sup> July) all pupils are invited into school. They will remain socially distanced (we will set up the hall or hopefully the sun will shine and we can organise the outside space) and will have the opportunity to sign shirts, say hello to one another and enjoy some time together. They will be dropped off at the usual time (between 9.15am – 9.30am) and can be collected between 11.15am-11.30am).

If you would like your child to have their top signed, a school shirt or jumper must be dropped in to school on Monday 13<sup>th</sup> July (no earlier and no later please to adhere to guidance); they will then be put on tables and children will be given gloves to wear when signing their name and leaving a message!

A Teams meeting will also be organised for that last week where Mr. Parker will share his screen so the pupils can watch a PowerPoint of their photos showing their time in school. As in the past, we would like to ask you to send a couple of photos into school by email (deadline 3<sup>rd</sup> July) so we can add them to the presentation.

We are also organising a few more little treats for the pupils – you will hear about them in the coming week. We hope when you share these plans with the pupils, it brings them great relief and delight!

Kind regards,

Mrs. Stephenson
