

The Event

In April, our Youth Mission Team travelled to Hebburn for an enjoyable couple of hours at St. Joseph's Secondary School. We were picked up in Lanchester by coach and met children from St. Pius and St. Bede's; when we arrived at St. Joseph's, we joined other schools from across our Pontop Partnership to enjoy The Event.

At The Event, there was a man who was singing and playing guitar – he invited us to join in. Later, a range of difference games and dances were organised plus there was refreshments afterwards of pizza and juice – yummy!

We had a lovely time and, alongside our Partnership schools, we are hoping to organise our own Event in our Pontop Partnership by the end of this school year – wish us luck!
