Welome Back!

Welcome back to school and the summer term. I hope everyone had a lovely Easter break.

Loving God,

Another term begins and we come back to school
Refreshed and restored by the break,
Grateful for those we share our lives with,
For the memories of the past few weeks,
For the opportunities we have, which are denied
To so many in our world today.
Bless the pupils and staff in our school,
Amen.

Our Statement to Live By this Week has been..

'I can laugh and have fun

Easter Egg Raffle

Thank you to the 'Friends of All Saints' who organised the Easter Egg raffle, £89.50 was the grand total raised and this money will go towards school resources. Many thanks for your contributions.

Testing

Please keep the children in your prayers as we begin the testing season. We pray that our children feel confident and proud of their hard work and understand that as long as they try their best, blessings and good results will come their way.

Health and Safety Reminder

Following a health and safety audit, we have been advised to remind parents that at the end of the day, children and younger siblings **should not** be allowed to play on the pirate ship. Please help us to keep our school safe.

PE kits

Over the coming weeks we continue to have Consett Football

Club and Durham Cricket Club coming in to take some PE sessions. Football is for Years 4, 5 and 6. Cricket is for Years 1, 2 and 3. If the weather is fair then we will be holding these sessions outside. Therefore, it would be advisable for children to have a hoodie and perhaps some warm joggers or leggings in their PE kits please. PE kits should be clearly named, kept in school all week and taken home on a Friday to wash.

Respect & Good Manners

On many recent occasions including the residential for our Year Five pupils, our children were praised for the good manners and respect they have shown to members of the community. It was fantastic to hear the pupils being complimented; when the children use good manners and show respect, they are excellent ambassadors for our school.

Warmer Weather

Please ensure that your child is prepared for the warmer weather this term. It is advised that on warm days you apply sunscreen at home. It is also a good idea for infant children to have a named tube of sun cream in their drawer at school so that if they are out for longer periods they can re-apply it themselves. It is also sensible for a sun hat to be kept in their drawer.

CAFOD
just one world

Lent 2019

Thank you for joining in with our collection of alms before the holidays. All proceeds have been sent to CAFOD to make a difference around the world. We managed to raise a total of £158

Looking for a good read?

Matthew in Year2 recomends 'The Midnight Gang' by David Walliams.

"I like this book because it is a funny story and I love adventure stories like this one."
