Friday 17th July, 2020

Dear Parents,

We have reached the end of the school year and regardless of your individual circumstances, I am sure we can all say that we have never experienced a year like it. I know that many of you view the lockdown as being one of the most memorable times of your life and others feel like it has been the most challenging. I know how hard you have all been working during lockdown - that is proven within the happy communication we have been receiving from the children.

You have now had the time to read our back to school plan for September, fingers crossed it goes ahead as expected. Please be assured that going forward, we will continue to make decisions with the safety and wellbeing of our children and families in mind.

I know that our pupils will have had a range of experiences over the past few months and many will be returning in September without setting foot in school for nearly six months. It will be imperative that the staff gain an understanding of where your child is at socially as well as academically. Our number one priority will be to ensure your child is happy, relaxed and feels safe in school.

As you know, parents will not be allowed in the building from September up until our risk assessment is changed therefore we will communicate with you by email or phone. If we need to set up any meetings regarding your child and individual targets, we will do this by phone or Teams. We are hoping to deliver our usual Parent/Pupil Welcome to the New School Year presentation either by PowerPoint or Teams in September; we will endeavor to keep you as updated as possible during every step of the way.

In the meantime, I hope you have a happy and healthy summer with your families and I sincerely hope that you manage to get a break. Your support for the school during this difficult time has been overwhelming and very much appreciated.

Stay safe.

Kind regards,

Mrs. F. Stephenson
