Friday 17th July, 2020

Dear Children,

I last wrote to you on Friday 20th March after our final worship together in the school hall. At the time, I did not believe that I wouldn't be seeing most of you again until September!

I know that you have been completing lots of work, projects, experiments and investigations at home as well as enjoying time outdoors and ever so special time with your family; thank you for sharing everything that you have been up to with your teaching staff. I know it has been a very strange time but it has been wonderful seeing you all making the best of the situation.

The good news is that we should all be back in school in September – that is the plan anyway. We have been working very hard and will continue to work hard over summer to make sure that our school building is safe and ready for you all to be welcomed back. When you come back to school, you will probably be with new teachers and may be in a different classroom but please do not worry, you will be with your friends and you will see the staff that you know and love around school.

I said to you in the last letter that I wrote to you that we would be waiting for you when you were allowed to return to school and we will be. Please do not spend your summer worrying about September. When we are back together, every single adult in school will be there to help you.

This is the last piece of work I will send you for the next six weeks. You have got three tasks for the summer: to have fun; spend lots of time with your family; and to keep smiling, trying to find joy in the little things!

Take care everyone and stay safe; we cannot wait to see you again soon.

Lots of love,

Mrs. Stephenson and your school staff
