

Dear Parents,

We are coming to the end of another significant period of lockdown. As we look forward to having all of the pupils back in school with us, we want to be as prepared as possible to continue to support their mental health and wellbeing whilst we are on this uncertain journey. We are therefore inviting you to complete the questionnaire below and return it to school before Monday 8th March if you think there is anything specific we need to know about your child or your family's situation that you have not already shared with school.

As always, we are here for you as and when you need so please do not hesitate to contact the school if you have any comments, concerns or queries.

Kind regards,

Mrs. F. Stephenson
