Chair of Governors: Mr. M. Quigley

Tuesday 14th July, 2020

Dear Parents,

As stated in the Plan for Parents that was emailed out earlier today, to ensure we adhere to governmental guidance, each year group has a staggered start and finish. We understand that for those with children in more than one year group, this will mean that you may have to wait for up to fifteen minutes in between staggered starts and finishes.

While we understand this is an inconvenience, our plan has been written as best as possible to accommodate all scenarios. Siblings cannot be dropped off at the same time due to the sheer number of families with siblings currently in school; it would mean that there would be a significant number of parents surrounding the whole building at any one time. The current drop off and pick up points are separated (as best as possible in such a small confined space) to ensure social distancing practices can be adhered to therefore we have to try our best to maintain these specific areas and times.

If you have two different drop off/collection times, feel free to return to your car or use some of the school grounds away from the building to wait (please do not stand on the ramp, stairs or any of the immediate pathways to a classroom).

Thank you for your support and understanding. I am sure you appreciate that we are trying to implement the safest possible access to school for all children in very difficult times. As specified, our plans may need to be updated before the return to school in September or indeed as we see them in practice.

If you have any further questions, please do not hesitate to get in touch.

Kind regards,

Mrs. F. Stephenson
