Monday 7th September, 2020

Dear Parents,

I hope you have all had a lovely weekend. As stated on Friday's newsletter, next week the teaching staff are due to hold information sessions over Teams; these will allow you to listen to the information pertaining to your child's year group (expectations regarding homework, curriculum coverage, classroom priorities etc.). The PowerPoints used will be emailed to the class after each meeting so all details can be referred back to – this way, no family should miss out. As always, our staff are also available to alleviate worries or offer advice throughout the year via request.

Today, our new starters in Reception class begin with us full time. They enjoyed their transition to school last week, making a wonderful start to their primary schooling.

At the beginning of such a different start to the year, I feel like it is important to provide you with an opportunity to ask me anything regarding our new in-school practices, our coronavirus risk assessment or the new routines the children are getting used to now they have experienced a number of days in school. Therefore I plan to hold three question and answer sessions on Teams for you later this week.

The following sessions are planned; if you are available, you are welcome to one or all:

Thursday 10th September 6.45p.m.

Thursday 10th September 7.30p.m.

Friday 11th September 11a.m.

You will be able to access the sessions via your child's new Teams account (these will be sent to you by text message this week); each account will have an invite to all three sessions. At the beginning of the session, each account will be muted and I will request that questions are submitted via the chat tool. The objective of these sessions will be to provide clear and direct answers to your queries as transparently as possible, shining a light on what is happening within our wonderful school during this important time of transition for our children. If you are not able to attend but have a question that you would like to ask, please feel free to email or phone school.

Kind regards,

Mrs. F. Stephenson
