

All Saints' Lockdown Reading Challenge!

Get your game board ready for your reading challenge.

Start on go and choose your first book.

Write the name of the book and the author in the first game square.

In KS1, you can read a new book with an adult to win a square.

In KS2 you can read a chapter or two of your own book; every 15 minutes of independent reading wins you a square.

When you reach this, reward yourself with a treat.

When you reach the 'Challenge' square, set a challenge with a friend or family member.

Eg. Who can get to the end of the row first?

Keep a list of the books that you read, either by writing on your gameboard or on a separate sheet of paper.
